PROFESSIONAL EXPERIENCE

IRA Systems Pvt. Ltd., Web Development Intern (On-site, PUNE) *Jan 2025 – May 2025*

- Developed dynamic, client-focused websites using modern web technologies and UI/UX principles.
- Collaborated directly with clients and team leads, delivering solutions that improved user engagement and workflow efficiency.

PROJECTS

Tuition Class Learning Platform

- Developed a full-stack web application using ASP.NET (C#), HTML, CSS, JavaScript, and SQL Server to manage student enrollment, online classes, study materials, and quizzes.
- Improved learning accessibility and administrative efficiency for XI, XII, CET, JEE, and NEET students by replacing manual processes with a secure, scalable digital platform.

Gym and Fitness Management System

- Gym and Fitness Management System is developed using ASP.NET with C#.
- The main objective of the system is to make managing fitness centre easier and more efficient, replacing old manual methods.
